

GWOE Ministries 2nd Christian Book & Product Expo

May 16th, 2009

" 2009 THE YEAR OF MANIFESTATION "

What is GWOE Ministries' Second Annual Christian Book & Product Expo?

GWOE Ministries' **Second Annual Christian Book & Product Expo** is the first of its kind offering self publishers a venue to market their works and Christian business owners and entrepreneurs a chance to feature their products. It is a most anticipated event and is set for: **May 16TH, 2009**. It has been named, **"2009 - The Year of Manifestation!"** **The event will be held at the JFK Center 429 J.F.K. Way, Willingboro NJ. 08046.**

The program begins with a motivational speech by well-known sister-in-Christ and author of "One Woman's Journey to Fully Trust God," and God Said Trust Me", Minister Tonya Jones. There will be many of Philadelphia and New Jersey's finest performing solos, musical acts, and much more. One thing that sets this event apart, making it the first of its kind in the Delaware Valley is the fact that countless people have shown their commitment and selflessness to the idea of bringing Christian authors and vendors together with an interested public and volunteered their time to bring this expo together. As a result, attendance for all consumers will be free of charge. Yes, you heard right ... there will be **NO Cover Charge for our consumers!** ***All are welcome to come and enjoy the amenities.***

The concept came together in 2007. We felt a need to honor those called to minister to their brothers and sisters in Christ through literary works and those moved to produce products specifically geared towards fellow Christians. The GWOE Ministries **Second Annual Christian Book & Product Expo** is designed to showcase the efforts of self-publishers and Christian business owners; bring them together with our brothers and sisters so that the reader in search of Christ-centered literature can meet authors who can meet their needs; and to also connect the consumer with Christian business people who have invented, designed, developed or are marketing products they can use. And last, but certainly not least, it is an opportunity for Christian entrepreneurs and authors to meet each other and, perhaps, form informal networks from which they can support and encourage each other as they move forth in their individual ministries. Throughout the day, this expo-styled event will offer information packets on Christian encouragement, CD's, DVD's on various "Abundant Life Issues," demonstrations, sampling, shopping, and much more.

You won't want to miss this opportunity to be Empowered, Encouraged, and Influenced!

God Bless
