Who We Are:

The Christian Book and Product Expo is simply an annual event hosted by: Minister Tonya Jones of God's Word of Encouragement Ministry. The vision of this Expo was given to Minister Jones of the Lord to help support and supply a venue to present the products of self-publishing Christian Authors and Christian Business owners. We offer entertainment, food, and a children's corner for children of all ages, while adults can circulate through the table of exhibitors and purchase products and services from Christian authors and business owners. It is a chance to support our brothers and sisters in those various endeavors God has entrusted in their hands.
